PRESS RELEASE

- **FONDAZIONE FIERA MILANO, THE ENI GROUP AND CAMFIN: A CONSORTIUM FOR A JOINT ENHANCEMENT PROJECT INVOLVING AN AREA WITH A POTENTIAL GFA OF 120,000 SQM NEAR THE SITE OF THE NEW MILAN TRADE FAIR CENTER IS BORN**
- **THE PURPOSE OF THE PROJECT IS TO BUILD AN ENTERTAINMENT CENTER AND CENTRALIZED SERVICE FACILITIES IN ORDER TO MEET THE EXHIBITION CENTER'S NEEDS DURING EXPO 2015**

Milan, 9 July 2008 – **Fondazione Fiera Milano, the Eni Group and Camfin** signed today an agreement which marks the birth of a Consortium for the **joint enhancement of an area with a potential gross floor area (gfa) of 120,000 sqm** located in the cities of Rho and Pero **near the new Milan Trade Fair Center**. The area includes land owned by Camfim and the Eni Group, while Fondazione Fiera Milano holds building rights.

The enhancement process will be managed by the Consortium which, with **the support of Sviluppo Sistema Fiera**, will prepare the feasibility study and **the urban plan in conjunction with the new exhibition center**. The urban plan calls for the building of an entertainment center and a series of centralized service facilities including with a view to be able to better meet the needs of the Trade Fair Center during Expo 2015.

The project will be presented to the relative administrative authorities in spring 2009 and **work should begin in 2010**.
