Recitals

On 13 May 2020, Camfin S.p.A., a joint stock company incorporated under Italian law with registered office in Milan, Via Larga 2 (“**Camfin**”), and Longmarch Holding S.à.r.l., a limited liability company incorporated under Luxembourg law, having its registered office at 20, Rue des Peupliers, L- 2328, Luxembourg (“**LongMarch**” and jointly with Camfin, hereinafter referred to as the “**Parties**”), entered into an agreement (the “**2020 Investment Agreement**”) containing, *inter alia*, certain shareholders’ agreement provisions relating to a potential participation, within the meaning of Article 119 of the Issuers’ Regulations, consisting of a “repurchase agreement” entered into between LongMarch and ICBC Standard Bank Plc (“**ICBC**”) (the “**Repurchase Agreement**”) and concerning LongMarch’s right to repurchase a total number of 76,788,672 Pirelli shares, corresponding to approximately 7.68% of Pirelli’s share capital.

On 30 June 2021, Camfin and LongMarch have finalised an investment agreement concerning LongMarch’s entry into the shareholding structure of Camfin (“**2021 Investment Agreement**”). More specifically, the 2021 Investment Agreement established that in the first half of October 2021 Longmarch would transfer to Camfin – by signing an increase in capital reserved for it – 40,000,000 Pirelli shares corresponding to 4% of Pirelli’s share capital, after having purchased them as part of the Repurchase Agreement (the “**Contribution**”).

Following the exercise of the option pursuant to the Repurchase Agreement, LongMarch became the owner of 7.68% of Pirelli’s share capital and, in execution of the 2021 Investment Agreement, on 7 October 2021, made the Contribution. Therefore, following the Contribution, as at the date of this extract, LongMarch is the owner of 36,788,672 Pirelli shares, equal to approximately 3.68% of Pirelli’s share capital (the “**Repo Pirelli Shares**”).
